Pay will resume on Wednesday, May 28; however, employees are not required to return to work until Thursday, May 29.

Employees must participate in an orientation session upon their return. These sessions will be hosted Thursday, May 29, and Friday, May 30, at Pratt & Whitney's Hangar, 423 Airport Ave., East Hartford, CT 06118.

Sessions will cover critical topics including updated Environmental, Health and Safety (EH&S) guidance and practices. Please see the schedule below to determine which session you should attend.

Employees are responsible for their own transportation to and from the site; carpooling is encouraged due to parking constraints. Refreshments will be provided. All employees must bring their company badge to document attendance at the orientation session and to be permitted onto the East Hartford campus.

Employees, excluding those on an AWW schedule, are not expected to return to normal work locations after orientation. The normal working schedule will resume on Friday, May 30, for all shifts.
